GRADUATE DIPLOMA IN LOGISTICS MANAGEMENT

SIPMM ACADEMY
SINGAPORE INSTITUTE OF PURCHASING AND MATERIALS MANAGEMENT
Founded 1972

Course Objective

This Graduate Diploma course equips students with the essential knowledge to manage logistics functions at a senior level in a contemporary organisation.

This specialised course comprises 2 modules: a module on Business Logistics Management II (BLMII); and a module on Management Project (MP).

The BLMII module covers 10 topics on the managing strategy of logistics functions. The MP module focuses on a specialised area of logistics management, and is based on academic and industry research.

Course Structure & Duration

This course can be completed in less than 4 months. The course is intensive and requires students to attend classroom sessions either 1 or 2 times in a week.

Faculty & Mode of Delivery

This course incorporates a blended learning mode, where students attend lectures, and undertake online learning through recorded videos. Our faculty comprises highly experienced practitioners with post-graduate academic qualifications.

The mode of delivery is mainly classroom lectures and case discussions. The Project module comprises class sessions in phases where students are guided to work on an approved project until completion. Students are expected to make use of relevant websites and the internet for purposes of learning and research.

Attendance & Assessment

Attendance is monitored regularly and unless approved, students must achieve a minimum overall attendance of 75% to be eligible to sit for the examination. In the BLMII Module, students are assessed based on assignments and an examination towards the end of the study period. In the MP Module, each student is assessed based on a viva-voce presentation and submission of a thesis.

Academic Award

Students must pass all assessments of the modules within the candidature period, in order to complete this course successfully and be awarded with a Graduate Diploma in Logistics Management.

Award Recognition

GDLM graduates from SIPMM Academy will receive a professional credential as World Certified Professional in Logistics Management, and this credential is awarded by the World Certification Institute (WCI).

Topics for BLMII Module

1	Inventory for Integrated Logistics
2	Transportation for Integrated Logistics
3	Warehousing for Integrated Logistics
4	Packaging and Materials Handling
5	Global Logistics and Supply Chains
6	Logistics Network Design
7	Logistics Operational Analysis
8	Logistics Collaboration, 3PL, and 4PL
9	Logistics Performance Management
10	Logistics Risks and Sustainability

Admission Criteria

An applicant must be at least 20 years old; and has the academic level of a Bachelor degree; and language proficiency in English at least IELTS 6.5 or equivalent; and the applicant must also have at least six months of relevant work experience.

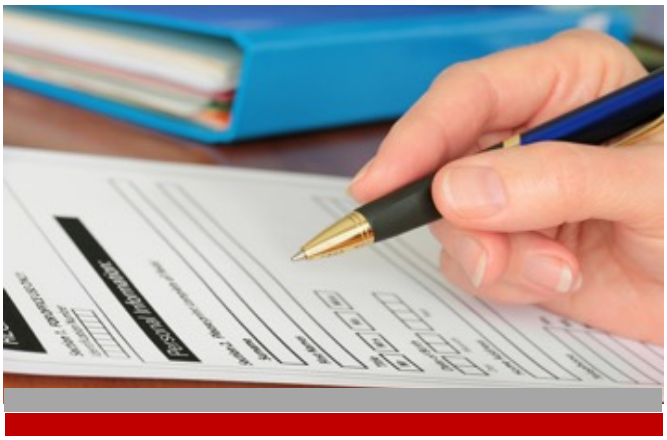

Those who do not have the requisite qualification but are at least 25 years old, and have acquired more than 5 years of professional or managerial work experience may be considered on a case-by-case basis, subject to approval by the Academic Board.
